### Junior Gold Qualification

This will be a Junior Gold qualification event with a 1:4 ratio (and WILL NOT use a major fraction thereof) with the winner earning a spot. If seven entries are not met, the second place finisher will have the option to fund any remaining shortfall in their age division and advance. Only the second place finisher will have this option. If seven entries are met, the second place finisher will advance also. If there is a tie, the bowler with the highest game in the three game set will advance.

Each individual wanting to qualify for Junior Gold must have a Junior Gold membership before they can participate.

Please contact Steve Bowling with any Junior Gold questions. 402-317-1023
